Technical Area: Visual Resources

Response Date: April 8, 2002

REQUEST:

Please provide the name of the appropriate City contact that can verify that the only applicable LORS are those found in the ERTC Specific Plan.

Contacts for coordination between Commission staff and the City staff are expected to be established in the MOU. Palomar would expect that Mr. Jonathan Brindle, Assistant Planning Director, would be an appropriate contact for most questions relating to applicable LORS.
