

**PALOMAR ENERGY PROJECT (01-AFC-24)
CEC STAFF DATA REQUEST NUMBER 115**

Technical Area: Waste Management

Response Date: April 8, 2002

REQUEST:

Please provide a draft Waste Management Plan indicating how the applicant plans to comply with waste diversion requirements of state and local ordinance. The Plan must indicate the percentage of hazardous and non-hazardous wastes that would be diverted from landfill disposal.

RESPONSE:

See Attachment 115-1 for a preliminary draft Waste Management Plan for the site.
