Subject : **DATA ADEQUACY FOR THE HANFORD ENERGY PARK PEAKER PROJECT - 01-EP-7**

The staff has completed its adequacy review of the Emergency Permit application submitted on April 9, 2001, and supplemented on April 12, for the Hanford Energy Park Peaker Project. Representing the findings of staff, I have determined that the filing is complete and staff is ready to begin the review of this emergency project. Attached is staff's Emergency Completeness checklist for this project.

Please assign a Commissioner to oversee this proceeding.

If you have any questions, please contact Bob Eller, staff's Project Manager, at (916) 651-8835.
