July 24, 2001

Honorable Michal Moore  
California Energy Commission  
1516 9<sup>th</sup> Street  
Sacramento, California 95814

Dear Commissioner Moore:

Please be advised by this transmittal that as a result of delays in the "Seven Day" Interconnect Study to be performed by Southern California Edison, that Electricity Provider, Inc. is withdrawing our application for the Lancaster Energy Facility #1 from the 21 Day permitting process.

We wish to thank you and the members of your staff for all your help and assistance during the application process.

Respectfully submitted,

Steve Wilburn  
President
