Re: Quail Brush Project – Letter from CEC Staff Dated March 25, 2013 Requesting the Applicant to Confirm or Update the Project Objectives

Dear Mr. Carbonell:

On March 25, 2013, Quail Brush received a letter from the CEC Staff requesting that the Project confirm or update the Project Objectives in light of the CPUC’s decision on March 21, 2013. We are in the process of preparing the response to CEC Staff’s request and, our response requires information from multiple counterparties with whom the Project has been working. While we are collecting this information, Quail Brush requests that the San Diego County Air Pollution Control District not expend additional review efforts on the Project because we cannot yet predict what our ultimate response/conclusion may be. We are also making this request to other agencies reviewing aspects of the Project. We will provide the APCD with a copy of our response to the CEC Staff on/about April 19, 2013.

Thank you for your attention in this matter. Please contact me with any questions or comments you may have.

Sincerely,

C. Richard Neff
