Re: CEC Staff's Letter to Quail Brush Dated March 25, 2013 Requesting the Applicant to Confirm or Update the Project Objectives

Dear Mr. Solorio:

Quail Brush is in the process of preparing the response to CEC Staff's request for a confirmation or update of the Project's Objectives in light of the CPUC's decision on March 21, 2013. Our response requires information from multiple counterparties with whom the Project has been working. While we are collecting this information, Quail Brush requests that the CEC Staff not expend additional review efforts on the Project because we cannot yet predict what our ultimate response/conclusion may be. We are also making this request to other agencies reviewing aspects of the Project. We will provide our response to the Commission Staff on/about April 19, 2013.

Thank you for your attention in this matter. Please contact me with any questions or comments you may have.

Sincerely,

C. Richard Neff
