Pursuant to the October 2, 2012 Revised Committee Schedule for Quail Brush Generation Project, Intervenors Preserve Wild Santee ("PWS") and the Center for Biological Diversity (the "Center") submit this Joint Status Report.

PWS and the Center are in the process of reviewing the large amount of materials submitted to the docket near October 31, 2012. We note however, that the "Applicants Public Record Documents Supporting the Need for the Quail Brush Project" submitted were not persuasive and we reiterate our position that the Applicant should withdraw the Application. The great public need is to break our nation’s addiction to fossil fuels. Loss of life, destruction, havoc and economic losses incurred due to extreme weather patterns are a stark reminder of what is at risk by taking a business as usual approach with this AFC.

Sincerely,

Van Collinsworth
