As concerned citizens, we strongly oppose a (1) MHPA Boundary Line Adjustment, (2) Community Plan Amendment of Open Space, (3) Rezone of (RS-1-8) residential zoning to industrial zoning within the East Elliot Community Plan area, and (4) Revision of the City’s Multi-Species Conservation Program (MSCP) Subarea Plan, all of which actions are intended to facilitate the siting of a Power Plant.

Additionally, I/we respectfully request the CEC to consider the “No Project Alternative” for Docket #11-AFC-03 Quail Brush Generation Project Power Plant Licensing Case.

Respectfully,

Carlos and Tara Chaparro, our two young children and unborn baby!!!!!!!!!!!!!!!!!!!!!!!
