RE: Removal of the City Finger Parcel from the RCEC Amendment
Russell City Energy Center (01-AC-07)

Dear Ms. Dyas:

Following up on my December 30, 2009 email, this letter is to confirm that Russell City Energy Center (RCEC) has decided to remove the City of Hayward (Finger) Parcel from the Amendment submitted on November 17, 2009. Therefore, we request that the City Finger Parcel, APN #43009903302, located at 3700 Enterprise Avenue, no longer be considered a potential part of the RCEC project. The three other parcels described in the Amendment (Tompkins Parcel, Zanette Parcel, and Chess Parcel) should still be included as potential parking and/or laydown areas for the RCEC project.

Please contact me at 925-570-0849 or Rick Thomas at 925-557-2235 if you have any questions or require additional information.

Sincerely,

Barbara McBride
Director, Environmental, Health and Safety
