

**BEFORE THE ENERGY RESOURCES CONSERVATION AND DEVELOPMENT COMMISSION  
OF THE STATE OF CALIFORNIA**

**APPLICATION FOR CERTIFICATION  
FOR THE SAN FRANCISCO  
ELECTRIC RELIABILITY PROJECT**

**Docket No. 04-AFC-1**

**RESPONSE TO REQUEST FOR CLARIFICATION**

**I. BACKGROUND**

On January 30, 2006, Intervenor Californians for Renewable Energy (CARE) filed a document which included a "Request for Clarification on Staff's Proposal that the date for publication of the FSA [Final Staff Assessment] be tentatively scheduled for February 15, 2006". CARE apparently seeks a delay in the release of the FSA. Staff filed a response to this document on February 16, 2006.

As Staff notes, it is unclear whether CARE's "Request for Clarification" was intended to solicit a response from the Staff or from the Committee.

**II. DISCUSSION**

CARE has already received Staff's response. We have reviewed CARE's request in light of Staff's response and find no reason to interfere with, or delay, publication of the FSA.
