STATE OF CALIFORNIA

Application for Certification  
For the San Francisco  
Electric Reliability Project

Docket No. 04-AFC-1

Pursuant to Public Resources Code section 25519(b) and California Code of Regulations, title 20, section 1716(g), Californians for Renewable Energy, Inc. (CARE) respectfully requests, for the reasons described below, the Committee to compel Intervener GreenAction for Health and Environmental Justice to provide the information identified in CARE's First Set of Data Requests filed on Intervener and the Committee on May 20<sup>th</sup>, 2005.

As of this writing CARE has received no objections or response from Intervener GreenAction for Health and Environmental Justice from CARE's May 20<sup>th</sup> Data Request. We presume the absence of any objections means that Intervener GreenAction for Health and Environmental Justice has waived any future objections to providing a complete response to CARE's data request.

Wherefore for good case shown I respectfully request the Committee Compel Intervener GreenAction for Health and Environmental Justice to respond to CARE's data request in full.

Respectfully submitted,

Lynne Brown- Vice President,
