Cosumnes Power Plant (01-AFC-19)
Supplemental Responses to Data Requests 39 and 109

On behalf of the Sacramento Municipal Utility District, we are filing two more pieces of data. Our cultural resources staff have concluded their update of the existing site form for CA-SAC-93 with a DPR 523 site record form. This is a supplemental response to Data Request #39 and is being filed under a request for confidentiality.

In addition, we are submitting 5 disks of the modeling output for the Visible Water Vapor Plume Analysis submitted in Data Response, Set 1D as Attachment VR-109.

Please call me if you have any questions.

Sincerely,

Re: Repeated Application for Confidential Designation Pursuant to Section 2505(a)(4) of Title 20: SMUD's Cosumnes Power Plant (01-AFC-019): Cultural Resources

Dear Mr. Larson:

Pursuant to Title 20 of the California Code of Regulations and direction received from CEC staff, the Sacramento Municipal Utilities District (SMUD) hereby submits this "Repeated Application for Confidential Designation Pursuant to Section 2505(a)(4) of Title 20: Cosumnes Power Plant (01-AFC-019): Cultural Resources."

Section 2505(a)(4) provides that if an applicant's prior application for confidential designation of substantially similar information has been granted pursuant to Section 2505, a subsequent application need only contain certification pursuant to Section 2505(a)(1)(G) that the information submitted is substantially similar to the initial application and that all facts and circumstances relevant to the granting or approval of the initial application are unchanged.

The Commission's Executive Director has previously approved SMUD's request for confidential designation regarding cultural resources and other subject matters related to the Cosumnes Power Plant AFC. Pursuant to direction received from CEC staff, SMUD now wishes to submit this repeated application for confidential designation. The information submitted with this application is substantially similar to the information submitted in SMUD's initial application, and all facts and circumstances relevant to the granting of SMUD's initial application are unchanged.
