Dear Mr. Arshadi:

RE: Proposed 6" water pipeline encroachment within Railroad right of way, El Centro, Imperial County, California

The Railroad has received your application for the above-mentioned project, a proposed 4+ mile of 6" water pipeline encroachment which you state is 14 miles west of El Centro, California. I have assigned Folder Number 2504-18 to this project. Please refer to this Folder Number when corresponding.

The Railroad has begun its review process of this application. You have informed me that the plans you submitted are the final design plans. The review process normally takes 90-120 days. If approved, the Railroad will prepare a License Agreement for your execution. If we have any questions, or need further information, we will contact you as we go through the process.

Sincerely,

A handwritten signature in cursive script that reads "Joan Preble".
