**Subject:** South Bay Replacement Project – Docket No. 06-AFC-3

Dear Mr. Blevins:

Despite our best efforts to advance the development of the South Bay Replacement Project in the City of Chula Vista, at this date it is apparent that expenditures of additional development resources are not warranted. Accordingly, we hereby request that the Application for Certification for the South Bay Replacement Project be withdrawn and that all activities related thereto cease.

We acknowledge and appreciate the efforts exerted by you and your California Energy Commission associates to facilitate the development of this project and look forward to working with you again on other projects.

Very Truly Yours,

South Bay Replacement Project, LLC
