

12.0 PROJECT OVERVIEW RESPONSES

12.1 Appendix B (g)(17)(B)

Comment

Provide assessor's parcel map and identify the assessor's parcel numbers for all parcels involved in the project.

Response

Assessor's parcel maps for the project area were provided in Appendix A of the AFC along with listings of all affected parcels within 1,000 feet of the MGS site and 500 feet of the natural gas, sewer, and reclaimed water pipelines.
