DATE FEB 27 2007

RECD. FEB 28 2007

Dear Mr. Blevins:

Pursuant to the provisions of Title 22, California Code of Regulations, The City of Victorville hereby submits this Application for Certification seeking authority to construct and operate the Victorville 2 Hybrid Power Project, a nominal 570 megawatt, natural gas and solar powered electric generating facility to be located at Southern California Logistics Airport in the City of Victorville.

The City is very excited to be the sponsor of this innovative "Hybrid" design which integrates a 2 X 1 gas combined cycle plant with a 50MW concentrated solar power facility using the proven parabolic trough mirror design. The resulting facility will occupy approximately 275 acres and be the first of its kind anywhere in the world.

As the City Manager of Victorville, I hereby attest, under penalty of perjury, that the contents of this application are true and accurate to the best of my knowledge.

The City requests that the service list for these proceedings include the following:

Thomas M. Barnett
Senior Vice President
Inland Energy, Inc.
South Tower, Suite 606
3501 Jamboree Road
Newport Beach, CA 92660

Michael J. Carroll
Latham & Watkins LLP
650 Town Center Drive
Suite 2000
Costa Mesa, CA 92626

Sara Head
ENSR
1220 Avenida Acaso
Camarillo, CA 90012

If you have any questions, please contact Mr. Thomas Barnett of Inland Energy (949-466-7317) or me.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jon B. Roberts". The signature is fluid and cursive, with the first letter of each word being significantly larger and more stylized than the others.

Jon B. Roberts
City Manager
