**Subject: Walnut Creek Energy Park (Docket No. 05-AFC-2C)
Condition of Certification COM-10
Project Telephone Number and Public Notification**

Dear Mr. Rundquist:

Per the requirements of Condition of Certification COM-10 in the California Energy Commission's Final Decision for the Walnut Creek Energy Park, this letter will serve as verification that Walnut Creek Energy, LLC has properly satisfied the public notification requirements as set forth in the verification language of the condition.

The enclosed letter was mailed via U.S. mail to all property owners within one mile of the WCEP site and associated linear facilities, notifying them of an anticipated June 2011 start date for construction activities to begin at the WCEP project site. This letter specifically references a telephone number, **(800) 358-5000**, that Walnut Creek Energy, LLC has established for the public to use for any questions or complaints about the project. The telephone number will be posted at the project site during the construction and operation phases of the project and will include an automatic answering feature with date and timestamp recording to answer calls when the phone is unattended. All recorded complaints shall be responded to within 24 hours. The telephone number will be maintained until the project has been operational for one year.

Should you have any questions or require additional information related to this submittal, please contact Ms. Andrea Grenier at (916) 780-1171.

Sincerely,

Ramiro R. Garcia
Environmental Program Manager
