*Safety Management Actions and Safety-Related Incidents:*

- Safety tours performed daily.
- Monthly Safety assessment.

*Continuing or Unresolved Situations:*

None to Report

*First Aid and Recordable Injuries:*

- 6-01-12 Recordable: Concrete in eyes, employee had just completed priming the concrete pump and was starting to pump concrete when an air pocket caused the hose to kick. The hose started whipping around and struck the employee down onto the rebar of the duct bank. Because his hard hat/face shield and glasses were knocked off he received a small laceration on the back of his head and was sprayed on the face.
- 6-14-12 First Aid: Laceration on forearm, an electrician was installing duct bank conduit and scraped his right forearm on the rebar cage.
