RE: Application for Certification – Watson Cogeneration Steam and Electric Reliability Project
(09-AFC-1)

To All Interested Parties:

My name is Christine Hammond and I am the attorney representing the California Energy Commission's staff in this proceeding.

In the interest of full and early disclosure, I am informing all parties that I formerly represented the Watson Cogeneration Company from January 2000 to May 2002. The Energy Commission's Chief Counsel's Office has conducted a conflict of interest analysis and determined that no conflict of interest exists with respect to my participation in this AFC proceeding.

I may be reached at (916) 651-2924 or chammond@energy.state.ca.us. I look forward to working with you on this project.

Sincerely,

A handwritten signature in cursive script that reads "Christine J. Hammond".
