NOTICE OF BUSINESS MEETING  
RE: Revisions to Energy  
Efficiency and Conservation  
Block Grant Program Guidelines

## Notice to Consider Adoption of Changes to Energy Efficiency and Conservation Block Grant Program Guidelines

The California Energy Commission will hold a Business Meeting on:

**THURSDAY, August 9, 2012**

10 a.m.

CALIFORNIA ENERGY COMMISSION

1516 Ninth Street

First Floor, Hearing Room A

Sacramento, California

(Wheelchair Accessible)

As part of the August 9 Business Meeting, the Energy Commission will consider adoption of changes to the *Energy Efficiency and Conservation Block Grant Program Guidelines* (Guidelines). The *Guidelines* were developed to implement and administer the Energy Efficiency and Conservation Block Grant Program under the American Recovery and Reinvestment Act (ARRA) of 2009.

Note: Audio from this meeting will be broadcast over the Internet using our WebEx Internet Conferencing System. For details on how to participate in the Business Meeting, please refer to the agenda for the August 9 Business Meeting that will be posted online at:

[www.energy.ca.gov/business\\_meetings/index.html](http://www.energy.ca.gov/business_meetings/index.html)

Based on input and guidance from the Energy Commission's Lead ARRA Commissioner, Karen Douglas, changes are being proposed to the *Guidelines* to extend the program deadline from September 13, 2012 to September 13, 2013, consistent with a one-year

extension to the Energy Commission's ARRA Energy Efficiency and Conservation Block Grant award from the U.S. Department of Energy. In addition, references to the Energy Commission's former American Recovery and Reinvestment Act Ad Hoc Committee are deleted and replaced with a reference to the Energy Commission's Executive Director. The Executive Director will now be authorized to carry out certain activities as specified in the proposed changes to the *Guidelines*. The proposed changes to the *Guidelines* are available online at:

<http://www.energy.ca.gov/stimulus/documents/index.html>.

Printed copies of the draft version of the *Guidelines* changes may be obtained by contacting:
