

**CALIFORNIA ENERGY COMMISSION**1516 Ninth Street, MS 45  
Sacramento, California 95814Main website: [www.energy.ca.gov](http://www.energy.ca.gov)**2013 Building Energy Efficiency Standards,  
California Code of Regulations, Title 24,  
Part 6 and Part 1, Chapter 10****Docket No. 12-BSTD-01  
Resolution No. 15-0304-2****APPROVAL BY THE EXECUTIVE DIRECTOR OF  
RIGHT-ENERGY TITLE 24 VERSION 1.3 RESIDENTIAL COMPLIANCE SOFTWARE**

The Executive Director hereby approves Right-Energy Title 24 Version 1.3 as an alternative calculation method for demonstrating performance compliance with the residential provisions of the 2013 Building Energy Efficiency Standards, California Code of Regulations, Title 24, Part 6, and associated administrative regulations in Part 1, Chapter 10 (Standards), for newly constructed buildings.

Public Resources Code sections 25000 et seq., 25402.1, subd. (b), require the Energy Commission to, among other things, establish a process for certifying calculation methods for demonstrating compliance with its Building Energy Efficiency Standards.

Right-Energy Title 24 Version 1.3 integrates the revised compliance manager approved by the Energy Commission on February 23, 2015, as part of the Application Programming Interface in the 2013 Public Domain California Building Energy Code Compliance - Residential (CBE CC-Res) software, Version 3c. The update incorporates:

- Quick Simulation, a tool that allows a quicker simulation, not for compliance;
- Unventilated attics;
- "Check Report Generator Access," a feature to determine if the computer has internet access to the website for creating a CF1R;
- Corrections to CAHP calculation results; and
- Corrections to miscellaneous CF1R reporting issues.

Information for obtaining Right-Energy Title 24 Version 1.3 is posted on the Energy Commission's 2013 Standards web page for approved computer compliance programs: [www.energy.ca.gov/title24/2013standards/2013\\_computer\\_prog\\_list.html](http://www.energy.ca.gov/title24/2013standards/2013_computer_prog_list.html).
