CEQA Filing Fee No Effect Determination

Applicant Name and Address:

California Energy Commission
1516 Ninth Street, MS 37
Sacramento, CA 95814

CEQA Lead Agency: California Energy Commission

Project Name: 2013 Building Energy Efficiency Standards

CEQA Document Type: Negative Declaration

State Clearing House Number and/or local agency ID number: 2012032062

Project Location: Statewide

Brief Project Description: The California Energy Commission is proposing changes to the energy efficiency standards for residential and nonresidential buildings as mandated by the Warren-Alquist Act. The standards contain energy efficiency and indoor air quality requirements for newly constructed buildings, additions to existing buildings, alterations to existing buildings, and, in the case of nonresidential buildings, repairs to existing buildings.

Determination: Based on a review of the project as proposed, the Department of Fish and Game has determined that for purposes of the assessment of CEQA filing fees (Fish and Game Code [FGC] Section 711.4(c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at time of filing of the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Office of Planning and Research (State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing of the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid CEQA Filing Fee No Effect Determination form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to FGC Section 711.4(c)(3).
