CERTIFICATE OF INSTALLATION—USER INSTRUCTIONS	NRCI-LTO-01-E
Outdoor Lighting	(Page 1 of 1)

NRCI-LTO-01-E User Instructions

This Certificate of Installation must be submitted for all buildings. This is the general certificate used to declare what was proposed in the Certificates of Compliance is actually what was installed.

The table of construction documents on the Certificate is used to list all construction documents that show the outdoor lighting and controls were installed as it was proposed in the Certificates of Compliance; on what pages of the plan set does that documentation exist; or what additional documentation validates the installation.
