**NOTICE OF NO AWARD (NONA)****Natural Gas Pipeline Safety and Integrity Management Research Grant
GFO-15-504
March 7, 2016**

On December 16, 2015, the California Energy Commission (Energy Commission) released a competitive solicitation to fund projects that demonstrate natural gas pipeline safety and integrity management technologies. Up to \$2,916,929 in Natural Gas Research Program funding was available to fund applications in three project groups:

- Project Group 1: Technologies that Improve Situational Information;
- Project Group 2: Technologies that Enhance Integrity Management Practices through Risk Analysis, Prediction, and Decision-Based Methodology; and
- Project Group 3: Natural Gas Pipeline Safety and Integrity Monitoring Technologies Assessment.

The Energy Commission received three proposals by the due date of February 8, 2016. Of these three proposals, two proposals were for Project Group 1 and one proposal was for Project Group 3. Each proposal was screened, reviewed, evaluated and scored using the criteria in the solicitation. None of the proposals passed the Stage Two Application Scoring.

The attached “Notice of No Award” identifies each applicant who applied. This notice is being mailed to all parties who submitted an application to this solicitation and is also posted on the Energy Commission’s website at: www.energy.ca.gov/contracts/.

The Energy Commission plans to re-release the solicitation shortly.
