Addendum 2
Hydrogen Refueling Infrastructure

Posted: January 6, 2014

The purpose of this addendum is to replace Attachment 06, Budget-Forms due to Applicants inability to insert the names of Major Subcontractors 4-15 on the Task Summary, Sheet B-1. Applicants who are not using more than 3 Major Subcontractors will not be affected and do not need to revise their Budget forms. Applicants who have made significant progress on their Budget forms and need to insert the names of Major Subcontractors 4-15 can have their Budget repaired by emailing it directly to Rachel.Grant-Kiley@energy.ca.gov .
