PON-14-307
Addendum 2
December 11, 2014

**Demonstrating Clean Energy Solutions That Support
California’s Industries, the Environment, and the Electrical
Grid**

This Addendum was completed because the following substantive changes were made to the Solicitation Manual for PON-14-307.

Section I, Introduction

1) Page 6, Funding

- Clarified that Group 1 proposals are those with “the demonstration community located entirely within one or more 2010 census tract(s) with the poorest environmental quality as defined by a CalEnviroScreen 2.0 in the 81 or greater percentile range.”

2) Page 8, Key Activities Schedule

- Changed the date to Distribute Questions and Answers to December 11, 2014; and the Deadline to Submit Applications to January 16, 2015 (see below).

Section III, Application Organization and Submission Instructions

1) Page 16, Application Format, Page Limits, and Number of Copies

- Resumes are excluded from the 11 point, Arial font requirement.

2) Page17, Application Organization and Content

- Removed requirement that each section of the application be separated with a tab labeled with the tab number and section title. Instead, each tab must be labeled with the tab number, or the section title, or both the tab number and section title.

The substantive changes to the Solicitation Manual detailed above are provided in strikeout/underline format in the updated Solicitation Manual, which can be found online at <http://www.energy.ca.gov/contracts/PON-14-307/>
