☐ Common Sense Exemption. 14 CCR 15061 (b) (3) Explain reason why Agreement is exempt under the above section: The Energy Commission made CEQA findings pertaining to this project, including finding it was categorically exempt under 14 CCR 15301 when the project was originally approved by the Commission on July 15, 2019. The currently proposed changes through this amendment involve a budget augmentation to increase the number of electric buses funded under this agreement from six to nine, and increase the supporting charging infrastructure for the buses. These changes will not result in any impact to the environment beyond those already considered in July 2019 and do not change the applicability of the categorical exemption under 14 CCR 15301.
