Section 3.2

Chair Weisenmiller has been invited to speak at the CCEEB's 2018 Summer Issues Seminar regarding energy infrastructure necessary to adapt to climate change and meet California's climate program goals. The panel will discuss infrastructure needs, funding sources, and public support issues.

Executive Director is attending as a participant at the request of Chair Weisenmiller, and this would give him an opportunity to meet with high level executives.

Assistant Executive Director of Governmental Affairs is representing California Energy Commission in relation to the elected officials who attend the seminar.
