**Rulemaking to Repeal Portable
Luminaires from the Appliance
Efficiency Regulations**

Docket No: 22-AAER-02
[PROPOSED] Order:

ORDER INSTITUTING RULEMAKING

I. PURPOSE AND SCOPE OF THE PROCEEDING

Pursuant to Public Resources Code sections 25210, 25213, 25218(e), and 25402(c), and sections 1220-1225 of Title 20 of the California Code of Regulations (CCR), the California Energy Commission (CEC) hereby institutes a proceeding to consider amendments to the CEC's Appliance Efficiency Regulations (Title 20, CCR, sections 1601-1609).

In this proceeding, the CEC will consider repealing portable luminaires as a regulated appliance type from the Title 20 Appliance Efficiency Regulations. Market conditions have evolved such that the existing requirements may no longer be necessary. The proposed repeal includes the removal of all definitions and testing, marking, certification, and energy performance requirements related to portable luminaires. In addition, the CEC will consider the deletion of obsolete or duplicative language and other changes to clarify the existing regulations in this proceeding.

II. DELEGATION OF AUTHORITY

Commissioner J. Andrew McAllister is lead commissioner for this proceeding. The CEC delegates the authority to staff, under the direction of the lead commissioner, to take all actions reasonably necessary to present proposed regulations to the CEC for final adoption, including but not limited to, complying with requirements of the Administrative Procedure Act and the California Environmental Quality Act. Adoption of any changes to the CEC's regulations pursuant to this Order Instituting Rulemaking will be by vote of the CEC at a noticed business meeting.

Any person present at any hearing or workshop shall be afforded reasonable opportunity to make oral comments on the subject matter of the proceeding. Petitions to intervene are not necessary. At present, no workshop or hearing dates have been specifically identified. The executive director, in conjunction with the public advisor, shall ensure that this

order and notices of hearings and workshops are distributed to all interested persons and that drafts of the regulations are made available sufficiently in advance of workshops, interim hearings, and final adoption by the CEC to allow timely participation. The CEC will establish a date for the receipt of written comments on draft regulations.
