## Attachment to Form 801 For David Hochschild

EPRI Electrication Conference Long Beach, CA August 21 – 22, 2018

## Section 2: Describe the entity's business activity or nature and interests:

The Electric Power Research Institute (EPRI)conducts research, development, and demonstration projects for the benefit of the public in the United States and internationally. As an independent, nonprofit organization for public interest energy and environmental research, they focus on electricity generation, delivery, and use in collaboration with the electricity sector, its stakeholders and others to enhance the quality of life by making electric power safe, reliable, affordable, and environmentally responsible.

## 3.2 Payment Description. Provide a specific description of the payment and its agency purpose and use.

The California Energy Commission is currently very actively involved in resolving issues around the electrification of use for the benefit of customers and society. Commissioner Hochschild is participating as a representative of the Commission at the EPRI summit in a segment titled Residential and Commercial Electric Technologies.
