Attachment to Form 801
Commissioner, Andrew McAllister
IADB Regulation Summit
Washington, D.C.
September 26-29, 2018

Section 2:

The Banco Interamericano de Desarrollo/Inter-American Development Bank (IADB or IDB or BID) is the largest source of development financing for Latin America and the Caribbean. Established in 1959, the IDB supports Latin American and Caribbean economic development, social development and regional integration by lending to governments and government agencies, including State corporations.

Section 3.2:

The IADB Summit is an opportunity to impact positively thinking of the finance and regulator classes across Latin America. California is in a unique position to demystify the evolution to clean energy that we are living and driving. The IADB has offered to pay all expenses for Commissioner McAllister to participate in this summit.

This trip also allows Commissioner McAllister to pursue CEC interests in DC while there. (For example: meetings with DOE and California's elected representatives.)
