Christopher Meyer
EUCI
San Francisco, CA
March 4-5, 2019

Section 2:

EUCI is an accredited corporation that designs focused conferences and training courses for practicing professionals in the energy field as well as other industries. Their mission is to move the industry forward through information exchange between forward-thinking peers from industry, agencies and the public. They work to provide an objective, independent, and diverse perspective on new and emerging practices from across the various fields, and keep professionals up-to-date and equipped to do their best work through learning the industry's best practices, current trends, and innovative solutions.

Section 3.2:

EUCI has asked California Public Utilities Commission, California Energy Commission, city of Seattle, Marin County, and other industry stakeholder staff to provide presentations on decarbonization efforts across the country. Energy Commission staff will provide a presentation on the status of California's 2019 Building Energy Efficiency Standards, Title 24, Part 6. The presentation will include the changes to the 2019 Energy Standards that impact decarbonization efforts such as PV, energy storage and demand response. Block of hotel rooms for presenters paid directly by conference organizer, EUCI.
