0		Unspecified Power ²	0.0%	3.7%	
0	-	TOTAL	100.0%	100.0%	
Percentage of Retail Sales Covered by			269/		
Retired Unbundled RECs ³ :					

¹The eligible renewable percentage above does not reflect RPS compliance, which is determined using a different methodology.

³Renewable energy credits (RECs) are tracking instruments issued for renewable generation. Unbundled renewable energy credits (RECs) represent renewable generation that was not delivered to serve retail sales. Unbundled RECs are not reflected in the power mix or GHG emissions intensities above.

For specific information about this	San Diego Gas & Electric	
electricity portfolio, contact:	800-411-7343	

For general information about the https://www.energy.ca.gov/programs-and-topics/programs/power-source-disclosure-program

²Unspecified power is electricity that has been purchased through open market transactions and is not traceable to a specific generation source.
