

Item 4: Home Energy Rating System (HERS) Provider and Data Registry Applications for Golden State Registry (GSR)

May 8, 2025 Business Meeting

Archana Etikala, Mechanical Engineer
Efficiency Division, Standards Compliance Branch

Benefits to Californians

- Verifies Energy Code compliance
- Protects consumers
- Supports decarbonization goals

Source: CEC Staff

HERS Provider and Data Registry Applications Overview

- **HERS providers:**
 - Train and certify raters
 - Perform quality assurance of raters
 - Respond to complaints
 - Collect and maintain data
- **Residential data registry:**
 - Retain and validate user input data
 - Generate official compliance documentation

Source: GSR
