David Hochschild

Denmark & Belgium, June 14-19, 2025

Section 2: Pacific Environment confronts our most urgent environmental issues by connecting local and global movements, catalyzing policy change, and inspiring action for the benefit of people and our planet. They promote a healthy climate, reduce pollution and conserve biodiversity for an equitable and thriving future.

Section 3.1: (Lodging) Copenhagen Strand Hotel; Warwick Hotel

Section 3.2: Pacific Environment will cover expenses related to the trip, including flights, accommodation, meals, and local transportation. This fact-finding trip will provide an opportunity for California legislators, regulators, policymakers, and industry leaders to engage with European counterparts and learn about advancements in decarbonizing the maritime sector. They will explore the Danish and Belgium value journey towards a more environmental and sustainable economy with clean shipping and begin conversations about how these experiences can be adapted to a local North American context.
