2. Donor: If “Other” is marked, describe the entity’s business activity (if business) or its nature and interests.

California Building Officials is a non-profit corporation dedicated to promoting public health and safety in building construction through responsible legislation, education, and building code development.

3.2. Payment Description:

Amie Brousseau traveled to Anaheim, CA, to provide a 2025 Energy Code Significant Changes training in conjunction with CALBO to the Disneyland Resort Architecture and Facility Engineering Department. The presentation focused on newly adopted regulations for PV, battery storage, electric ready, heat pumps, and Energy Code resources, like the Blueprint newsletter. Educating these stakeholders provided them with the necessary tools and knowledge to comply with the 2025 Energy Code effective on January 1, 2026. About 50-70 Disneyland staff were expected to attend this in-person training.
