

**Item 06: Order Instituting Informational  
Proceeding (OIIP) for the 2026 Integrated  
Energy Policy Report (IEPR)  
(Docket No. 26-IEPR-01)**

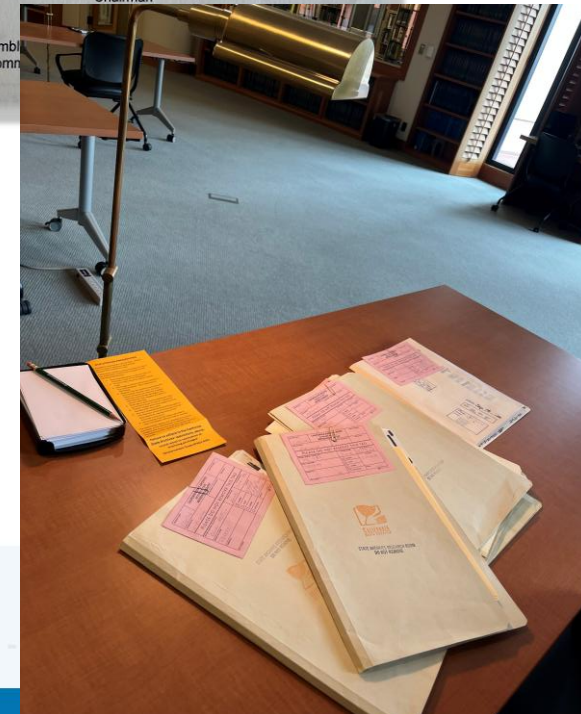

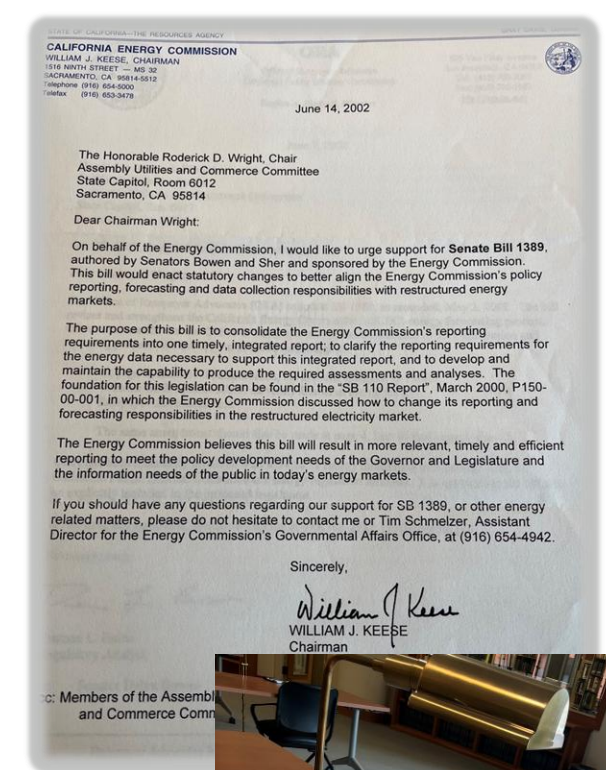

May 13, 2026 Business Meeting

**Sandra Nakagawa, Director**  
Integrated Energy Policy Report, CEC

# Overview

- Integrated Energy Policy Report (IEPR) established by SB 1389 (Bowen and Sher, 2002)
- Supported by CEC because it allows for:  
***“more relevant, timely, and efficient reporting to meet the policy development needs of the Governor and Legislature and the information needs of the public”*** - CEC Chair Keese in June 14, 2002 support letter for the legislation creating the IEPR

# Scope for *2026 IEPR Update*

1. California Electricity Demand Forecast

2. California Geothermal Resources

3. Energy Equity & Environmental Justice

# Purpose of OIIP

- Appoints lead and associate commissioners
- Provides authority to collect information
  - Workshops and hearings
  - Data requests

Source: Microsoft

# Benefits to Californians

- Data-driven analysis to drive decision making
- Public forum for policy development
- Focus on advancing equity

# Staff Recommendation

Approve request for the Order Instituting Informational Proceeding (OIIIP) for the *2026 IEPR Update*
