

**Form 801 Attachment
Center for Climate and Energy Solutions
Washington DC
10/15/25 – 10/17/25**

3.2 Purpose of Travel:

The 2025 Renewable Thermal Collaborative (RTC) Summit will be held in Washington, D.C., with a focus on Thermal Decarbonization. It is a critical venue for learning about new technologies, policy strategies, process innovations, and deployment models across energy-intensive sectors.
