Building Decarbonization Coalition (BDC)
San Francisco, CA
June 8-9, 2026

2. Entity's Business Activity:

The Building Decarbonization Coalition (BDC) aligns critical stakeholders on a path to transform the nation's buildings through clean energy, using policy, research, market development and public engagement. The BDC and its members are charting the course to eliminate fossil fuels in buildings to improve people's health, cut climate and air pollution, prioritize high-road jobs, and ensure that our communities are more resilient to the impacts of climate change.

3.2. Payment Description:

Participate at the California Heat Pump Partnership (CAHPP) Advisory Board Meeting. Attending enables CEC to engage in compliance oversight discussions, inform field inspection protocols, and maintain alignment with regulatory updates—functions essential to fulfilling the statutory requirement to inspect, audit, and enforce state energy code standards.
