California Foundation on Environment and Energy
Seoul and Busan, South Korea
March 26, 2026- April 4, 2026

2. Donor name and address (Other, business activity):

The California Foundation on the Environment and the Economy (CFEE) is an independent, nonprofit institution dedicated to educating public and private sector decision makers on, and developing creative solutions to California's complex economic, environmental and social issues. Recognized as a highly effective public policy forum, the Foundation brings together senior executives from California's major corporations and statewide labor leaders, as well as leading advocates from environmental and consumer organizations to meet with legislators and regulatory officials in an atmosphere of non-adversarial cooperation. CFEE seeks full exploration of controversial issues in a manner that transcends adversarial relationships by encouraging the development of common interests and workable policies rather than institutionalized conflict.

Purpose of Travel:

Commissioner Skinner will participate in the California Foundation on Environment and Energy Study Trip to South Korea. The study tour's focus on electric and hydrogen vehicles will support CEC policy analysis and development pursuant to AB 2127, AB 2061, N-79-20, and N-27-25. The discussion of advanced supply chains, recycling, and manufacturing will support CEC activities pursuant to SB 100 and Executive Order B-55-18.
