Form 801 Attachment
Alianza MX
Mexico City, Mexico
December 2-7, 2025

2. Entity's Business Activity:
Alianza MX is a University of California initiative that mobilizes talent and funding for research teams from the UC system and Mexico, spanning fields like STEM, social sciences, arts, and humanities. It engages diverse stakeholders to promote action research and develop innovative solutions for public policies relevant to U.S.-Mexico cooperation. The initiative also supports the two-way mobility of students and professors, including those of Latino descent, to foster a binational workforce.

3.2. Payment Description:
Commissioner McAllister will travel to Mexico City, Mexico as a keynote speaker at the launching event of the Binational Energy and Environment Working Group, led by the University of California, Alianza MX. He will also be joined by Senior International Relations Advisor, Elsa Beljean. This summit is organized by University of California Alianza MX; Center for Law, Energy, & Environment at UC Berkeley Law; and the Baja California Secretariat of Economy and Innovation. Commissioner McAllister's participation supports the implementation of the active MOU between California Energy Commission & Baja California and Sonora.
