

California Energy Commission

Web Accessibility Certification – energy.ca.gov

The California Energy Commission is committed to making our websites equally accessible for all visitors. The undersigned certify that as of July 1, 2019, this website is designed, developed, and maintained to be in compliance with California Government Code Sections 7405 and 11135 and the Web Content Accessibility Guidelines (WCAG).

Consistent with WCAG 2.1, the Energy Commission issues a statement of partial conformance:

This website does not conform, but would conform to WCAG 2.1 at a Level AA standard or higher if the following non-conforming parts were removed:

- Historical documents in PDF, Word, Excel, and PowerPoint format
- Historical web pages developed with a fixed, non-responsive design

We strive to maintain all information at acceptable accessibility levels, but some of the older and historical documents, which provide value to our website visitors, may not meet the defined standards. If you are unable to view or access one of these documents, please contact us for assistance.

If you have difficulty accessing any material on our websites, please contact us and we will correct the problem or provide the information in an alternative format. You can report web accessibility problems by sending an email to webmaster@energy.ca.gov.
