

**GFO-19-303
Addendum 1
December 30, 2019**

**Geothermal Energy Overcoming Technology Hurdles and Enabling Recovery of
the MinerAI Lithium (GEOTHERMAL)**

The purpose of this addendum is to notify potential applicants of changes that have been made to the solicitation for GFO-19-303.

Application Manual (Grant Funding Opportunity) page numbers have been updated.

1. **Page 13, Section I.G.** Under Key Activity Schedule, extended the deadline to submit application to **February 5, 2020** at **5:00 p.m.**

ACTIVITY	DATE	TIME ¹
Deadline to Submit Applications	January 30, 2020	3:00 p.m.
	<u>February 5, 2020</u>	<u>5:00 p.m.</u>

2. **Page 19, Section II.B.2.c.** Group three requirements revised to read: The demonstration must be located at a **obtain its geothermal brine directly from the geothermal power plant through a pipeline, but it is not required for the demonstration to be located on property owned by a geothermal facility. The applicant must provide a letter of support from each geothermal facility that will be providing brine for the demonstration. The letter should identify the approximate amount of brine that the facility will be providing and should show the commitment level of the facility to the project. The demonstration must obtain at least 60% of its brine from a** California geothermal power plant that has a power purchase agreement with a California electric IOU.

Attachment 1, Application Form

1. **Page 1, Project Location table.** Clarified that checkboxes are for group 3 IOU PPA selection.
