

## NONRESIDENTIAL

Including high-rise residential & hotel/motel projects

# ACCEPTANCE TESTING

For the 2016  
Energy Standards

**CALIFORNIA  
ENERGY  
COMMISSION**

### When is acceptance testing required?

- Acceptance testing is mandatory for certain nonresidential lighting, mechanical, fenestration, covered processes, and controls.
- Acceptance testing applies when regulated systems or controls are installed in newly constructed buildings, additions, and alterations.
- Any acceptance testing that is required will be specified on the NRCC(s).

### Who can conduct acceptance testing?

- Only a lighting **Acceptance Test Technician (ATT)** certified by an ATT Certification Provider (ATTCP) may perform testing for indoor and outdoor lighting systems and controls.
- The builder, contractor, engineer, or commissioning agent may perform testing for HVAC, fenestration, covered processes, and controls.
- A mechanical ATT certified by an ATTCP will be required to perform testing for HVAC systems and controls when the industry thresholds in § 10-103.2 are met.

### How do I find an ATT?

- ATTCPs approved by the Energy Commission maintain a directory of certified ATTs on their respective websites (provided on back of this card).
- Search filters, like name and county, are available to make finding an ATT in your area easier.

**Visit the ATTCPs below to find an ATT certified for the 2016 Energy Code**

| ATTCP  | Type       | Certified ATT Required | Website  |
|--------|------------|------------------------|--|
| CALCTP | Lighting   | YES                    | <a href="http://www.calctp.org">www.calctp.org</a>     |
| NLCAA  | Lighting   | YES                    | <a href="http://www.nlcaa.org">www.nlcaa.org</a>       |
| CSPTC  | Mechanical | NO                     | <a href="http://www.calpipes.org">www.calpipes.org</a> |
| NEBB   | Mechanical | NO                     | <a href="http://www.nebb.org">www.nebb.org</a>         |
| NEMIC  | Mechanical | NO                     | <a href="http://www.attcp.org">www.attcp.org</a>       |
| RSES   | Mechanical | NO                     | <a href="http://www.rses.org">www.rses.org</a>         |
