

## Attachment B-1

If CEC requests services for a language that is not listed in this Budget, there will be one rate, "Other languages," charged to the CEC. Other languages may include, but are not limited to those defined in Exhibit A, Scope of Work. The minimum charge for translation services will be \$100. The minimum charge for interpretation services will be two (2) hours. If CEC requests less than the minimum, the CEC will reimburse the contractor for the minimum charges listed below. The CEC pays in one-hour increments (for interpretation services) and the CEC will round up to the nearest hour for payment and invoicing.

Standard Request for interpretation services is defined as five or more business days prior to the scheduled event. Expedited Request for interpretation services is defined as fewer than five business days' notice. Hourly Rate and Evening Hourly Rate includes all fees for the appearance of two interpreters and the equipment necessary to perform simultaneous interpretation services (assume 25 headsets and one transmitter).
