

DATA SUBMISSION PORTAL

PIIRA Reports Submission – User Guide

OVERVIEW

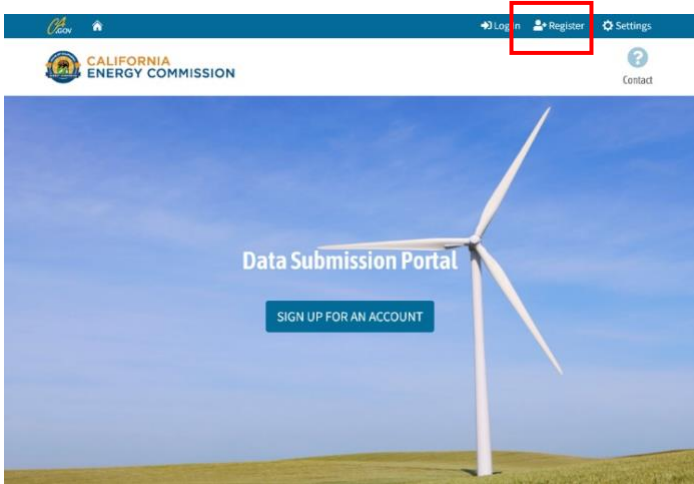

The Data Submission Portal is a secure website for electronically submitting data to the California Energy Commission. This user guide provides step-by-step instructions for using the portal.

Version

1.0

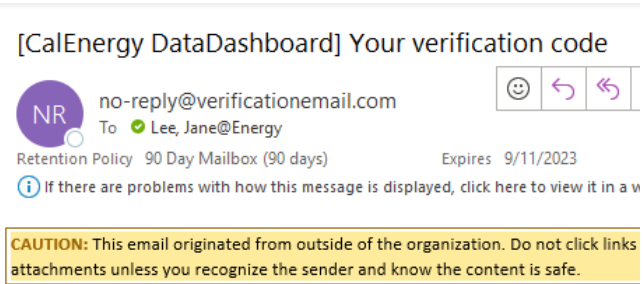

Create an Account

1. Navigate to <https://datasubmission.energy.ca.gov/> and click "Register" to create your account.

2. Fill out the Account details and click "Register".

3. Check your email for an account verification code.

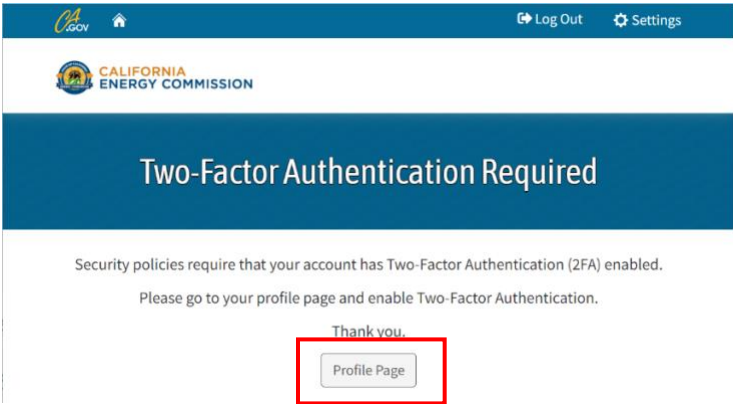

Your verification code for CalEnergy DataDashboard is 393231.

4. Enter verification code and click "Confirm Account" to complete registration.

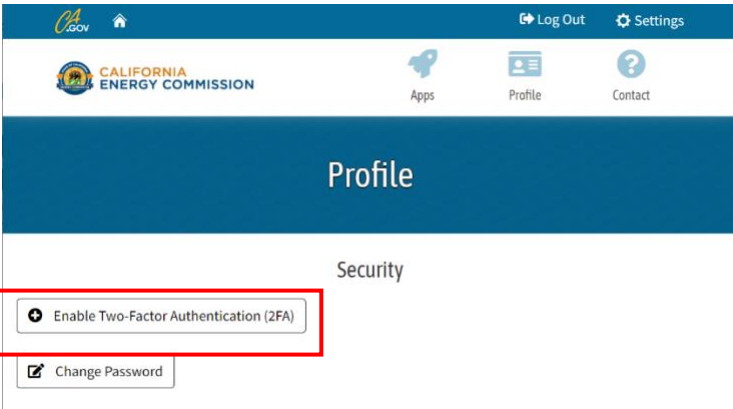

5. Set up Two-Factor Authentication (2FA) (View 2FA instructions on the next page.)

Set Up Two-factor Authentication

1. Log in to the Data Submission Portal.
(You will be prompted to set up 2FA)
2. Click the Profile Page button.

3. Click the "Enable Two-Factor Authentication (2FA) button.

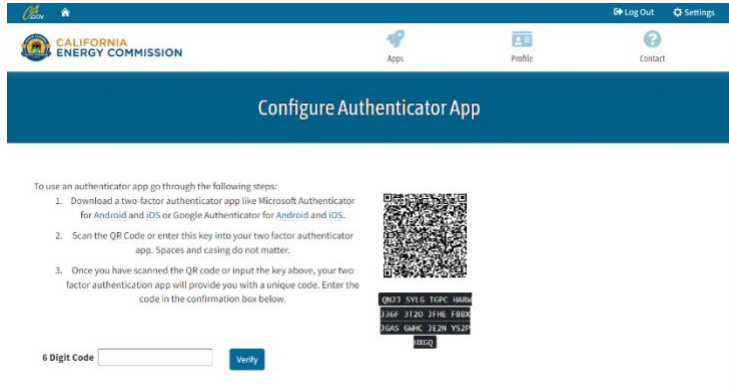

4. Enter your portal account password, then click the "Confirm Password" button.

5. Follow the instructions on the Configure Authenticator App page. For additional help, view the portal user video tutorial at

<https://youtu.be/0scK9s90iRE>.

Request Access to PIIRA Reports Submission Application

1. Log in to the portal to access the Apps list.

2. Click the “Show hidden apps” button to display the “PIIRA Reports Submission” App.

3. Click “Request Access”. (An Energy Commission PIIRA staff member will need to approve your request before you can submit forms).

4. You will receive an email confirmation when your request is approved.
