Additional actions icon

Submenu item that is accessed when the table view icon is expanded. Allows users to see additional table actions.

Filter icon

Use the filter to reduce the features shown on the map.

User Instructions

1. Use the zoom symbols (+ -) clickable tab to zoom in or out of the map for a closer or farther view.
2. Use the home icon () to return to the default map view.
3. Users can view the data sources for the interactive map by selecting the map information icon ().
4. Users can view the map legend icon () to understand the symbols on the map.
5. Users can select the table view icon () to view parking information for various parking garages and lots throughout Sacramento. When the icon is clicked, a table will expand listing the following information:
 - Address of the parking garage or lot
 - Hours of operation
 - If daily access is available
 - If monthly access is available
 - If a parking lottery is available
 - If there is an access waitlist
6. After selecting the view table icon, users can select actions to narrow parking locations or information, such as:
 - Use the parking selection icon () to show the selected parking data and options.
 - Use the clear parking selection icon () to clear the previously selected parking data and options.
 - Use the refresh icon () to refresh the map.
 - Use the view columns icon () to show or hide columns.
 - Use the additional actions icon () to filter information, see statistics, pan or zoom to a specific parking location, or show the parking location on the map.
7. Users can select the magnifying glass icon () to search for a location.
