

2026 CEC/EPRI Electrification Summit

Modernizing California Buildings for Comfort and Affordability

June 10, 2026

California Natural Resources Agency (CNRA) Headquarters
715 P Street, Sacramento, CA 95814

8:00 AM	Registration <i>CNRA Headquarters, 715 P Street, Front Entrance</i>
	Morning Session <i>All panels in CNRA First Floor Auditorium and Simulcast to Second Floor Room 221</i>
9:00 AM	Welcoming Remarks <ul style="list-style-type: none">• Wade Crowfoot, California Natural Resources Secretary• Morgan Scott, EPRI Vice President of Global Partnerships & Outreach
9:20 AM	Roundtable: California's Vision for a Decarbonized Future <i>Principals helping to shape California's clean energy transition open the summit with a forward-looking conversation on building electrification. This roundtable explores how the state can accelerate decarbonization in the building sector while also advancing reliability, affordability, and equity.</i> <ul style="list-style-type: none">• J. Andrew McAllister, CEC Commissioner• Darcie Houck, CPUC Commissioner• Cliff Rechtschaffen, CARB Board Member
9:50 AM	Panel 1: Programs Supporting Affordable Decarbonization <i>California state agencies and energy efficiency leaders discuss programs and policies that advance energy efficiency, improve indoor air quality, and reduce need for fossil fuels in California homes.</i> Moderator: Panama Bartholomy , BDC Executive Director <ul style="list-style-type: none">• Kerry Fleisher, CPUC Director for Distributed Energy Resources, Natural Gas, and Retail Rates• Tim Frank, Construction Trades Workforce Initiative Policy Advisor• Tim Kohut, National Core Director of Sustainable Design• Diana Maneta, CEC Policy and Technical Lead for Equitable Building Decarbonization Programs• Annalisa Schilla, CARB Assistant Chief of Sustainable Transportation & Communities Division

11:00 AM	Lunch and Technology Showcase Sponsored by the Electric Power Research Institute (EPRI) <i>CNRA First Floor Lobby & Second Floor Balcony</i>
	Afternoon Session <i>All panels in CNRA First Floor Auditorium and Simulcast to Second Floor Room 221</i>
12:30 PM	Panel 2: From Barriers to Breakthroughs: Research and Development Innovations Accelerating an All-Electric, Climate-Ready Future <i>Experts examine today’s most persistent barriers to an all-electric, climate-ready, climate-friendly future. The speakers highlight how cutting-edge innovations can reduce costs, improve performance, and accelerate the transition.</i> Moderator: Anthony Ng , CEC Technology Innovation & Entrepreneurship Program Lead <ul style="list-style-type: none">• Ryan Blowers, ReMo Homes Chief Technology Officer• Doug Davenport, Prospect SV Chief Executive Officer• Agatha Kazdan, EPRI Senior Principal Technical Leader• Jenny Low, Build It Green Director
1:30 PM	Break, Networking, and Technology Showcase <i>CNRA First Floor Lobby & Second Floor Balcony</i>
2:00 PM	Panel 3: Continuing Leadership in Building Electrification <i>Some of the nation’s largest property owners and equipment manufacturers discuss their progress towards building decarbonization, electrification, and efficiency goals in California and beyond.</i> Moderator: Stet Sanborn , Smith Group Vice President, Director of Climate IMPACT <ul style="list-style-type: none">• Seth Baruch, Kaiser Permanente National Director Energy & Utilities• Alesis Denis, Prologis Director of Sustainability Regulatory Reporting• Dana Fischer, Mitsubishi Electric Senior Director of Regulatory Strategy• Danny Murtagh, BXP (Boston Properties) Vice President of Engineering• Julia Raish, Amazon Global Lead, Sustainable Buildings• Helen Walter-Teronini, Trane Director of Global Policy & Advocacy

3:15 PM	<p>Panel 4: Preparing the Utility Sector for the Future <i>Leading California utility executives describe how they are preparing the grid for increased electrification and building decarbonization, with a focus on maintaining reliability and affordability through demand flexibility, load management, and energy efficiency.</i></p> <p>Moderator: Jean-Francois Roy, EPRI Strategic Account Executive</p> <ul style="list-style-type: none">• Larry Chung, SCE Vice President of Customer Solutions• Mike Delaney, PG&E Vice President of Strategy & Innovation• Rachel Huang, SMUD Director of Customer and Grid Strategy• Shawn Marshall, Peninsula Clean Energy Chief Executive Officer
4:15 — 5:30 PM	<p>Reception Sponsored by the Energy Transition Coordinating Council (ETCC) <i>CNRA First Floor Lobby & Second Floor Balcony</i></p>

Special appreciation to our event sponsors:

The Electric Power Research Institute (EPRI)

The Energy Transition Coordinating Council (ETCC)
