

Finding the Building Reference Number

1. Visit benchmarkingca.com.
2. Search for the building's street address in the "Street" field.

Need to find your building?

California's benchmarking requires a Benchmarking Reference Number (BRN) or Local Jurisdiction ID as part of the report submission process. Seamlessly identify yours with our helpful lookup tool.

Add the Benchmarking Reference Number to ENERGY STAR Portfolio Manager

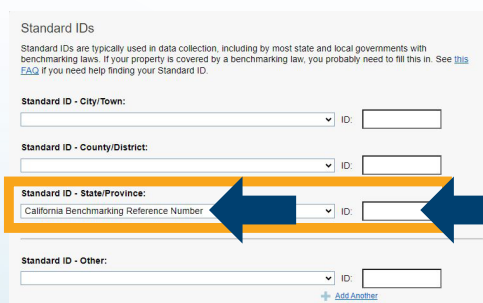

1. Log in to [ENERGY STAR Portfolio Manager](#).
From your Dashboard, click on a property to add its Benchmarking Reference Number.
2. Select the “Details” tab.

3. Scroll down to the middle of the edit page and select edit in the “Unique Identifiers (IDs)” box.

4. Scroll down to the “Standard IDs” box. In the State/Province drop-down box, select “California Building ID.”
5. Type your Benchmarking Reference Number in the field on the right.

Standard IDs

Standard IDs are typically used in data collection, including by most state and local governments with benchmarking laws. If your property is covered by a benchmarking law, you probably need to fill this in. See [this FAQ](#) if you need help finding your Standard ID.

Standard ID - City/Town: ID:

Standard ID - County/District: ID:

Standard ID - State/Province: ID:

Standard ID - Other: ID:

[Add Another](#)

6. Scroll to the bottom and click “Save.”
7. After you have saved the Benchmarking Reference Number, you will need to resubmit your data to the CEC.
8. To resubmit, please choose the appropriate [reporting link](#) on our website.
9. Follow the instructions on the page to resubmit your data to the CEC.
10. You will receive a receipt email immediately following your submission and a confirmation email the next morning.

If you are required to report to an [exempted local benchmarking program](#), you do not report to the CEC and the benchmarking reference number is not required.

NOTE: If you are required to report to an [exempted local benchmarking program](#), you do not report to the CEC and the benchmarking reference number is not required.
