

Generative Artificial Intelligence (GenAI) Disclosure

CEC-50 (09/2026)

Instructions

Bidder must submit this completed form with its proposal/offer. Failure to report Generative Artificial Intelligence (GenAI) to the State may result in disqualification. A proposal/offer including the use of GenAI presenting an unacceptable level of risk to the State, as determined by the CEC, may be rejected.

The form applies to all entities on the Bidder's team, Prime, and any subcontractors. Complete Section 3 separately for each distinct GenAI product. Duplicate Section 3 as needed.

Definitions

- **Generative Artificial Intelligence (GenAI):** An artificial intelligence system that can generate derived synthetic content, including text, images, video, and audio, that emulates the structure and characteristics of the system's training data. (Government Code, Section [11549.64](#).)
- **Reportable GenAI Use:** A proposed use in which the Bidder or a subcontractor (1) will provide GenAI as a deliverable to the State, or (2) will use GenAI, including third-party GenAI, to complete all or a portion of a deliverable that materially impacts State system functionality, risk to the State, or Contract performance.
- **Material Impact:** A significant, substantial financial or operational effect that is important enough to reasonably influence a decision-making process. (State Administrative Manual, Section [4986.2](#).)
